The Ontario Arts Council (OAC) was established in 1963 to promote and assist the development of the arts for the benefit and enjoyment of all Ontarians. For more than 40 years, OAC has played an important role in fostering the stability and growth of the province's arts community.

OAC is a publicly funded, arm's-length agency of the Ministry of Culture. OAC staff manage granting programs, while a volunteer board of directors oversees the fulfilment of the organization's mandate. The board of directors is made up of 12 government-appointed members.

Le Conseil des arts de l'Ontario (CAO) a été créé en 1963 pour promouvoir et appuyer le développement des arts dans l'intérêt de tous les Ontariens. Le rôle important qu'il joue depuis plus de 40 ans consiste à favoriser la stabilité et la croissance du milieu artistique de la province.

Le CAO est un organisme autonome financé par la province et relevant du ministère de la Culture. Le personnel du CAO gère les programmes de subvention, tandis que le conseil d'administration, composé de douze membres nommés par le gouvernement, veille à la réalisation du mandat de l'organisme.

Granting programs at OAC serve various functions. Although programs are organized primarily by discipline, such as craft, dance, literature, music, theatre, media and visual arts, they also support collaborations between artists as well as touring, distribution and exhibition of arts activities. Funding is also available for culturally-based arts forms, such as Franco-Ontarian arts and Aboriginal arts. Other programs focus on a particular arts activity – arts education, community and multidisciplinary arts. Arts organizations may also apply to OAC for support to increase their self-reliance, capacity building and sustainability. In total, more than 50 OAC granting programs are available to artists and arts organizations. OAC also administers the selection process for several privately funded awards, scholarships, grants and prizes.

Individual artists and arts organizations can apply for funding at OAC for specific projects, and arts organizations can apply for ongoing operating support. Grants are allocated by means of a system of peer review. Independent juries make funding decisions for individuals and arts groups applying to project programs. Advisory panels review operating grant applications from arts organizations and put forth recommendations to OAC program officers. OAC's board of directors approves all funding decisions for operating grants over \$20,000.

OAC regularly measures the impact and efficiency of its programs and consults with artists and arts organizations to stay in line with the needs and growth of the arts community.

OAC further supports Ontario's arts community by conducting research and statistical analyses of the arts and culture sectors. The information provided strengthens OAC's role as an advocate for the arts and makes it a vital resource for understanding the environment in which the arts are created and produced in this province.

Les programmes de subvention du CAO remplissent différentes fonctions. S'ils sont organisés principalement par discipline (métiers d'art, danse, littérature, musique, théâtre, arts visuels et médiatiques), ils appuient aussi les collaborations entre artistes ainsi que les tournées, la diffusion d'activités artistiques et les expositions. Certains programmes subventionnent des formes artistiques de cultures particulières (arts autochtones et arts franco-ontariens). D'autres visent une activité artistique précise (éducation artistique, arts communautaires et arts multidisciplinaires). Les organismes artistiques peuvent aussi demander au CAO de l'aide pour des initiatives qui renforcent leur autonomie, leurs capacités et leur viabilité. En tout, les artistes et les organismes artistiques peuvent se prévaloir de plus d'une cinquantaine de programmes de subvention auprès du CAO. Le CAO gère également le processus de sélection de plusieurs prix, bourses et subventions financés par des fonds privés.

Les artistes individuels et les groupes artistiques peuvent demander au CAO des subventions pour des projets particuliers, et les organismes artistiques peuvent demander des subventions pour les activités courantes de fonctionnement. Les subventions sont octroyées par l'entremise d'un système d'évaluation par les pairs. Des jurys indépendants prennent les décisions de financement pour les artistes et les groupes artistiques qui demandent une subvention de projet. Les comités d'évaluation étudient les demandes de subventions de fonctionnement des organismes artistiques et soumettent leurs recommandations aux responsables des programmes du CAO. Le conseil d'administration du CAO approuve toutes les décisions pour les subventions de fonctionnement dépassant 20 000 \$.

Le CAO évalue régulièrement les retombées et l'efficacité de ses programmes. Il tient aussi des consultations avec les artistes et les organismes artistiques pour s'aligner sur les besoins et la croissance du milieu des arts.

Le CAO appuie encore le milieu des arts par ses recherches et analyses statistiques dans le secteur des arts et de la culture. Les données qui en découlent permettent au CAO de plaider plus efficacement en faveur des arts et servent de ressource essentielle pour comprendre le contexte de la création et de la production artistiques dans la province.

MESSAGE FROM MARTHA DURDIN, CHAIR

This annual report marks my first year as Chair of the Ontario Arts Council (OAC), an appointment I was honoured to accept following several months as acting chair. I fervently believe that the arts are essential to building a rich and dynamic society in Ontario. That's why we are committed to using public funds to nurture creativity and must continue to ensure support for the established as well as the emerging artists. And we have to be responsible stewards of these public funds. I hope my work in the financial world, complemented by my experience as a volunteer board member for several arts organizations, is a good combination to ensure we stay on track. In my role as Chair, I am committed to seeing that OAC's reputation and effectiveness flourish.

Over the past three years, the Ontario Arts Council's strategic plan, *Stability and Strength*, has guided OAC in focusing its resources on four goals designed to strengthen the arts infrastructure in Ontario and stimulate its continuing growth. These are investment in the arts, community participation, strategic leadership and financial stewardship.

We have been pleased to be able to maintain funding levels for all operating clients (except those whose grants were reduced due to assessment) and even expanded the field of operating clients between 2004-05 and 2005-06 by 39 new organizations. In the context of a flatline budget, \$300,000 was set aside from project programs for this expansion. OAC has also maintained its commitment to ensuring that administrative costs in 2005-06 were less than 12 per cent of total expenditures.

However, this past year has been a challenging one. Although arts organizations have become much more sophisticated in their ability to pursue new sources of financial support in recent years, their ability to do so has been challenged by external forces, including the decreases in U.S. and international tourism. Consequently, OAC has exerted itself to find creative ways to make the greatest possible use of its resources on behalf of clients.

MESSAGE DE LA PRÉSIDENTE, MARTHA DURDIN

Ce rapport annuel signale ma première année en tant que présidente du Conseil des arts de l'Ontario (CAO), fonctions que j'ai eu l'honneur d'accepter après les avoir occupées à titre intérimaire pendant plusieurs mois. Je suis profondément convaincue de l'apport essentiel des arts au bien-être et à la vitalité de la société ontarienne. C'est pourquoi nous nous sommes engagés à utiliser les fonds publics pour cultiver la créativité et devons continuer à assurer un appui aussi bien aux artistes établis qu'à ceux de la relève. Nous devons aussi faire preuve de bonne intendance dans la gestion de ces fonds. J'espère que mon travail dans le milieu financier, doublé de mon expérience comme membre bénévole du conseil d'administration de différents organismes artistiques, servira à garantir que nous resterons sur la bonne voie. Dans mon rôle de présidente, je suis déterminée à voir s'épanouir la réputation et l'efficacité du CAO.

Au cours des trois dernières années, le CAO, conformément à son plan stratégique *Vigueur et stabilité*, a axé ses ressources sur les quatre objectifs suivants qui visent à renforcer l'infrastructure et à stimuler la croissance continue des arts en Ontario : l'investissement dans les arts, la participation communautaire, le leadership stratégique et l'intendance financière.

Nous sommes heureux d'avoir pu maintenir en 2005-2006 le niveau de financement des organismes qui reçoivent une subvention de fonctionnement (sauf ceux dont la subvention a été réduite suite à une évaluation) et d'avoir même ajouté à cette liste 39 organismes de plus que l'année précédente. Vu le plafonnement de notre budget, cette augmentation a été financée par un prélèvement de 300 000 \$ sur les fonds des programmes de projet. Le CAO a aussi tenu sa promesse de veiller à ce que les dépenses administratives de 2005-2006 soient inférieures à 12 % du total des dépenses.

L'année écoulée a cependant eu son lot de difficultés. Si les organismes artistiques sont devenus beaucoup plus habiles à dépister de nouvelles sources d'appui financier, la conjoncture extérieure, notamment la baisse du tourisme américain et international, ne leur a pas été favorable. Le CAO a dû par conséquent faire preuve d'imagination pour exploiter au mieux les ressources qu'il tient à la disposition de ses clients.

Le réseautage stratégique et les relations étroites avec d'autres bailleurs de fonds ont toujours été les moyens les plus efficaces de rentabiliser au maximum nos ressources.

One of the most effective ways to stretch the arts dollar has always been through strategic networking and leveraging our close relations with other granting organizations. OAC regularly collaborates with the Ontario Trillium Foundation and the federal Department of Canadian Heritage in the discussion of granting issues. Among this year's other collaborations were OAC's contributions to six Municipal Cultural Planning Funding Partnership forums, the Research Advisory Committee of the Arts and Learning Initiative, and research initiatives undertaken through Canadian Public Arts Funders (CPAF).

As a member of Canadian Public Arts Funders, OAC is participating in research initiatives to give us better Canadian data to inform funding decisions. Following on recommendations of the 2004 report *Tracking the Fiscal Health of the Arts in Ontario*, OAC is taking a lead role in establishing a standardized national online database of all the financial and statistical information required from organizations that apply for arts funding. This project will facilitate the grant application process for arts organizations, and will simplify the collection and analysis of data.

We also know from our research how deeply demographic and immigration trends are altering the audiences for the arts in Ontario. Within ten years, about one-third (32 per cent) of Ontarians will consider themselves to be part of a visible minority community. In certain areas, like the Greater Toronto Area, that figure will rise to more than half (55 per cent). OAC's commitment to accessibility and diversity is an essential component of our ability to truly meet the needs of the citizens of this province. We look for ways to give meaningful support to the many ethnic, linguistic and cultural minorities within our society and to deepen existing contacts within these communities. Between 2003 and 2005, 53 per cent of OAC jurors and advisors came from First Nations, Franco-Ontarian or diverse communities.

This province can boast a wealth of artistic diversity unlike that found anywhere else, and the range and depth of cultural expressions arising from this mix is growing. Our blend of artists who are working to keep traditional cultural expressions alive, alongside those who are fusing old and new or working across cultural boundaries to create exciting new hybrids, makes Ontario's cultural fabric a uniquely rich and coloured tapestry.

In 2005-06, OAC staff consulted with more than 1600 individual artists in 25 communities across the province.

Le CAO collabore de près avec la Fondation Trillium de l'Ontario et le ministère du Patrimoine canadien en ce qui concerne les questions de subventionnement. Il a notamment collaboré cette année avec six forums municipaux de planification culturelle, avec le comité consultatif de recherche pour l'initiative des arts et de l'apprentissage, et avec les organismes publics de soutien aux arts du Canada (OPSAC).

À titre de membre de l'OPSAC, le CAO participe à des initiatives de recherche qui donnent de meilleures données canadiennes pour éclairer les décisions en matière de financement. Conformément aux recommandations du rapport de 2004 intitulé *Projet pilote conçu pour faciliter le suivi de la santé financière des arts en Ontario*, le CAO tient un rôle de premier plan dans la création d'une base de données nationale normalisée et consultable en ligne des renseignements financiers et statistiques exigés des organismes qui demandent des fonds pour les arts. Ce projet facilitera aux organismes artistiques le processus de demande de subvention et simplifiera la collecte et l'analyse des données.

Nos recherches nous ont également appris à quel point les tendances démographiques et d'immigration ont des répercussions sur les auditoires des arts en Ontario. Dans les dix prochaines années, environ un tiers (32 %) des Ontariens s'estimeront faire partie d'une minorité visible. Dans certaines régions, comme celle du Grand Toronto, ce chiffre s'élèvera à plus de la moitié (55 %). Notre capacité à répondre véritablement aux besoins des citoyens de la province repose en grande partie sur l'engagement du CAO à l'endroit de l'accessibilité et de la diversité. Nous cherchons des moyens non seulement de resserrer les liens avec les nombreuses minorités ethniques, linguistiques et culturelles de la société, mais aussi de leur donner un appui efficace. Entre 2003 et 2005, 53 % des jurés et des conseillers du CAO venaient des Premières Nations, de la collectivité franco-ontarienne ou des communautés culturelles.

Notre province peut se targuer d'une diversité artistique dont la richesse ne se retrouve nulle part ailleurs. L'éventail et la profondeur des expressions culturelles qui en découlent ne font que croître. Ce mélange d'artistes – ceux qui perpétuent les expressions culturelles traditionnelles, d'autres qui fusionnent l'ancien et le nouveau, d'autres encore qui transcendent les frontières culturelles pour créer de surprenantes œuvres hybrides – fait du tissu culturel de l'Ontario une tapisserie richement colorée qui n'a pas son pareil.

En 2005-2006, le personnel du CAO a consulté plus de 1 600 artistes dans 25 localités de la province. Des rencontres organisées spécialement pour des artistes d'origine sud-asiatique, somalienne et latino-américaine ont eu lieu à Toronto, Kingston, Mississauga, Kitchener.

Meetings organized for culturally diverse artists specifically from the South Asian, Somali, Latin American communities were held in Toronto, Kingston, Mississauga, Kitchener, Sudbury and Hamilton. Francophones from diverse communities are growing in number, and OAC is taking particular care to ensure that our programs respond to their needs. Information sessions were held in Windsor, Sudbury, Toronto, Penetanguishene and Ottawa for francophone artists. For Aboriginal artists, sessions were held in Thunder Bay, M'Chigeeng, Wikwemikong, Little Current, Brantford et Barrie. In addition, OAC is working to stimulate a network for South Asian presenters of music and dance that will eventually be expanded to include other disciplines such as visual and media arts.

We were delighted to work with the Ministry of Culture on the development and February 2006 launch of the Premier's Award for Excellence in the Arts. OAC will administer the program on behalf of the government. The award recognizes outstanding achievement and contribution to arts and culture in Ontario by an individual or a group. In early 2007, the first recipient will receive \$35,000. The winner will be invited to choose a promising newcomer in the same field upon whom to bestow an additional \$15,000.

Sudbury et Hamilton. Les francophones de diverses origines culturelles sont en nombre croissant, et le CAO veille particulièrement à s'assurer que ses programmes répondent à leurs besoins. Des séances d'information à l'intention des artistes francophones se sont tenues à Windsor, Sudbury, Toronto, Penetanguishene et Ottawa. Des séances d'information à l'intention des artistes autochtones se sont tenues à Thunder Bay, M'Chigeeng, Wikwemikong, Little Current, Brantford et Barrie. En outre, le CAO est en train de stimuler la création d'un réseau de diffuseurs de musique et de danse sud-asiatiques qui inclura éventuellement d'autres disciplines comme les arts visuels et médiatiques.

Nous étions ravis de collaborer avec le ministère de la Culture à l'élaboration et, en février 2006, au lancement du Prix du premier ministre pour l'excellence artistique. Ce prix, que le CAO gèrera au nom du gouvernement, rend hommage à un particulier ou à un groupe s'étant distingué par ses réalisations et par sa contribution exceptionnelle aux arts et à la culture en Ontario. Il sera décerné pour la première fois au début de 2007. Le lauréat recevra 35 000 \$ et sera invité à désigner un artiste prometteur travaillant dans le même domaine, qui recevra 15 000 \$.

Les membres du conseil d'administration du CAO sont les porte-parole des collectivités régionales et culturellement diversifiées. En mars 2006, nous avons accueilli deux nouveaux membres : Jane E. Brindley, Ph.D., et Albert Hunter. Psychologue et éducatrice, Mme Brindley dirige actuellement le comité de l'éducation du Musée des beaux-arts de Windsor, dont elle a été la présidente. M. Hunter, ancien chef de la Première Nation de Rainy River, est poète et écrivain. Son premier recueil de poèmes, *Spirit Horses*, a été publié par Kegedonce Press en 2001 ; son deuxième, *Songs from the Marrow*, doit paraître en 2007. Nous avons aussi eu le plaisir d'annoncer la reconduction au conseil d'administration de Jean-Claude Bergeron, propriétaire-directeur d'une galerie d'art à Ottawa.

En mai 2005, nous avons tenu une réception en l'honneur de la présidente sortante du CAO, Julia Foster. De nombreux membres du milieu des arts sont venus célébrer son dévouement à l'égard du travail du CAO dans toute la province. Je tiens personnellement à rendre hommage à ses réussites en tant que championne des arts en Ontario.

Enfin, c'est avec grande tristesse que nous avons appris le décès de S. Penny Petrone, membre du conseil d'administration du CAO résidant à Thunder Bay, survenu en août 2005 à la suite d'une intervention cardiaque. À l'époque de son décès, Mme Petrone était professeure émérite d'éducation à l'Université Lakehead. Spécialiste de littérature autochtone canadienne, elle était un pilier du milieu artistique de Thunder Bay et avait entretenu des relations étroites avec la compagnie Magnus Theatre.

OAC's board of directors gives voice and representation to regional and diverse communities. In March 2006, we welcomed two new board members: Jane E. Brindley, PhD, and Albert Hunter. A psychologist and educator, Jane is past president and chair of the Education Committee for the Art Gallery of Windsor. Al is an author and the former chief of the Rainy River First Nations. His books include *Spirit Horses* (Kegedonce Press, 2001) and *Songs from the Marrow* (to be released in 2007). We were also pleased to announce the reappointment to the board of Ottawa gallery director and owner Jean-Claude Bergeron.

In May 2005 we hosted a reception in honour of OAC's past chair Julia Foster. Many members of the arts community were there to celebrate her dedication to OAC's work across Ontario. I personally salute her success as an advocate for the arts in Ontario.

Finally, it was with great sadness that we learned in August 2005 of the death of OAC's Thunder Bay board member, Dr. S. Penny Petrone, following heart surgery. At the time of her death, Penny was Professor Emeritus of Education of Lakehead University; her special area of expertise was Aboriginal literature in Canada. Penny was a vital member of Thunder Bay's arts community where she had a long association with the Magnus Theatre Company.

Over the course of this year we have had the pleasure of working closely with the Honourable Madeleine Meilleur and her staff at the Ministry of Culture on numerous projects, in particular the Minister's Advisory Council for Arts and Culture, whose important initiatives for the arts community include work in arts education and the status of the artist. I look forward to a similarly productive collaboration with Mme Meilleur's successor, the Honourable Caroline Di Cocco.

In conclusion, I salute OAC staff, my fellow board members and our many colleagues and partners across the province for their diligence and conscientiousness in working to nurture Ontario's arts and artists. I see the results in concert halls and classrooms, galleries and theatres, enriching the lives of Ontarians and building the prosperity not only of the arts sector but of the entire province.

Martha Durdin
Chair

Nous avons eu cette année le plaisir de travailler de près avec l'honorable Madeleine Meilleur et son personnel du ministère de la Culture à de nombreux projets, notamment dans le cadre des importantes initiatives du CCMAC (Comité consultatif ministériel pour les arts et la culture) sur l'éducation artistique et le statut de l'artiste. J'envisage une collaboration tout aussi fructueuse avec l'honorable Caroline Di Cocco, qui a succédé à Mme Meilleur.

Pour terminer, je tiens à remercier le personnel du CAO, mes collègues du conseil, ainsi que nos très nombreux collègues et partenaires d'un bout à l'autre de la province pour la diligence avec laquelle ils veillent à l'épanouissement des arts et des artistes de l'Ontario. J'en vois les résultats dans les salles de concert et les salles de classe comme dans les galeries et les théâtres. Ils enrichissent la vie des Ontariens et contribuent à la prospérité non seulement du secteur des arts, mais de la province entière.

At the time of her death, Penny was Professor Emeritus of Education of Lakehead University; her special area of expertise was Aboriginal literature in Canada. Penny was a vital member of Thunder Bay's arts community where she had a long association with the Magnus Theatre Company.

Over the course of this year we have had the pleasure of working closely with the Honourable Madeleine Meilleur and her staff at the Ministry of Culture on numerous projects, in particular the Minister's Advisory Council for Arts and Culture, whose important initiatives for the arts community include work in arts education and the status of the artist. I look forward to a similarly productive collaboration with Mme Meilleur's successor, the Honourable Caroline Di Cocco.

In conclusion, I salute OAC staff, my fellow board members and our many colleagues and partners across the province for their diligence and conscientiousness in working to nurture Ontario's arts and artists. I see the results in concert halls and classrooms, galleries and theatres, enriching the lives of Ontarians and building the prosperity not only of the arts sector but of the entire province.

Martha Durdin
Chair

Nous avons eu cette année le plaisir de travailler de près avec l'honorable Madeleine Meilleur et son personnel du ministère de la Culture à de nombreux projets, notamment dans le cadre des importantes initiatives du CCMAC (Comité consultatif ministériel pour les arts et la culture) sur l'éducation artistique et le statut de l'artiste. J'envisage une collaboration tout aussi fructueuse avec l'honorable Caroline Di Cocco, qui a succédé à Mme Meilleur.

Pour terminer, je tiens à remercier le personnel du CAO, mes collègues du conseil, ainsi que nos très nombreux collègues et partenaires d'un bout à l'autre de la province pour la diligence avec laquelle ils veillent à l'épanouissement des arts et des artistes de l'Ontario. J'en vois les résultats dans les salles de concert et les salles de classe comme dans les galeries et les théâtres. Ils enrichissent la vie des Ontariens et contribuent à la prospérité non seulement du secteur des arts, mais de la province entière.

MESSAGE FROM JOHN BROTMAN EXECUTIVE DIRECTOR

This year saw the beginning of our renewed advocacy effort on behalf of the arts community to demonstrate how a boost in OAC's budget would generate increased artistic and economic activity throughout the province.

During this time OAC's budget remained the same. It is nonetheless crucial to make sure our programs maintain stability for our key arts institutions while allowing for new growth and support for individual artists. OAC is committed to strengthening and deepening its connections with artists who represent all of Ontario's diverse geographic and cultural communities. In particular, 2005-06 has seen important initiatives focused on diversity, accessibility and the arts communities of northern Ontario.

To this end, OAC introduced new programs and partnered with other organizations on new initiatives. The Access and Career Development program for arts professionals of colour and Aboriginal arts professionals who face systemic barriers in the pursuit of their artistic careers was developed this year. The program supports professional development and skill-building opportunities that advance the artistic work and careers of eligible artists, arts administrators, arts educators and community animators.

For residents of northern Ontario, the simple opportunity to talk to a granting officer face to face is a priority. As of January 2006, our new Aboriginal Arts Officer began spending time once a month in Thunder Bay, Kenora, Sioux Lookout and Timmins and will occasionally visit Manitoulin Island, Sault Ste. Marie, Moose Factory, Attawapiskat and other locations. OAC reestablished its presence in the north by creating a position for a northern-based staff member.

OAC's Franco-Ontarian Arts Officer now makes regularly scheduled visits to two of this province's most important Franco-Ontario communities, Ottawa (two days a month) and Sudbury (two days, every other month). OAC is managing a Francophone Artist-in-Education project (under the Canada/Ontario Agreement on Official Languages) that doubled the amount of time artists spend in classrooms, the number of students and the number of communities reached. We saw an increase in the number of Francophone artists successfully applying to the Artists in Education program.

MESSAGE DU DIRECTEUR GÉNÉRAL JOHN BROTMAN

Nous avons relancé cette année nos initiatives d'intervention en faveur du milieu artistique pour démontrer qu'une majoration du budget du CAO favoriserait l'activité artistique et économique dans la province entière.

Le budget du CAO n'a pas augmenté pendant cette période, mais il est cependant essentiel de veiller à ce que nos programmes continuent à assurer la stabilité des établissements artistiques clés tout en permettant la croissance de nouveaux organismes et en appuyant les artistes individuels. Le CAO est déterminé à consolider et à approfondir ses liens avec les artistes qui représentent les communautés géographiques et culturelles de l'Ontario dans toute leur diversité. L'exercice 2005-2006 a été pour nous l'occasion de prendre d'importantes initiatives axées sur la diversité, l'accessibilité et le milieu des arts du nord de l'Ontario.

Le CAO a créé de nouveaux programmes et s'est associé avec d'autres organismes pour réaliser de nouvelles initiatives. À témoin le programme Accès et évolution professionnelle, destiné aux professionnels des arts de couleur et aux professionnels des arts autochtones qui se heurtent à des obstacles systémiques dans leur carrière artistique. Ce programme subventionne le perfectionnement professionnel et les possibilités de renforcement des compétences qui favorisent l'œuvre et la carrière des candidats admissibles – artistes, administrateurs des arts, artistes éducateurs et animateurs communautaires.

Pour les habitants du nord de l'Ontario, avoir l'occasion de s'entretenir personnellement avec un responsable du CAO est une priorité. Depuis janvier 2006, notre nouvelle responsable des arts autochtones a commencé à faire des visites mensuelles à Thunder Bay, Kenora, Sioux Lookout et Timmins. Elle se rendra également à l'île Manitoulin, à Sault Ste. Marie, à Moose Factory, à Attawapiskat et dans d'autres endroits. Le CAO a rétabli sa présence dans le nord de l'Ontario en créant un poste dont le titulaire est domicilié dans cette région.

Le responsable des arts franco-ontariens du CAO se rend désormais régulièrement dans deux des centres franco-ontariens les plus importants de la province : Ottawa (deux jours par mois) et Sudbury (deux jours tous les deux mois). Le CAO, en vertu de l'Entente Canada-Ontario sur les langues officielles, gère un projet d'artistes francophones en milieu éducatif qui a doublé le nombre d'heures que les artistes passent en classe ainsi que le nombre de localités et d'élèves joints. Il y a également eu cette année un plus grand nombre d'artistes francophones dont la demande au

For the first time in our 42-year history, OAC convened a jury outside Toronto. The Chanson et Musique jury was held in Sudbury in January 2006.

OAC partnered with the National Film Board of Canada to launch a mentorship program for Ontario's Francophone filmmakers. It funds four filmmakers as they shadow a mentor in their profession (which may be production, pre-production or post-production), thus providing career development guidance from an experienced professional.

In the spring of 2005, OAC funded Mobile Media, a media arts presentation, featuring the work of 18 Ontario filmmakers and video artists, that toured to Peterborough, Thunder Bay, North Bay and Sudbury, thereby exposing audiences to work that is not normally available outside large urban centres. In March 2006, Mobile Media 2, programmed by 11 curators and featuring the work of 31 different media artists, travelled to Hamilton, Timmins, Moosonee, Attawapiskat, Fort Albany, Sault Ste. Marie, Whitefish Lake, North Bay, Sudbury, Moose Factory and Guelph.

OAC renewed its partnership with TVOntario to broadcast the work of Ontario film and video artists. The second instalment of *Exposures: The Art of Film and Video* premiered on TVO's popular arts documentary series *Masterworks*, on June 30, 2005.

OAC continued its efforts to increase access to the arts in all parts of the province. Among the many tours we funded, OAC, in collaboration with the Ontario Trillium Foundation, supported the Toronto Symphony Orchestra tour to Timmins and Sudbury that included master classes, composer chats, in-school performances for elementary students, English- and French-language student concerts, as well as evening concerts in the communities.

In keeping with our ongoing interest in the needs of artists and audiences, our research efforts were focused on a number of areas. OAC commissioned a study of the art-making population in Ontario, based on the 2001 Census data from Statistics Canada, *A Statistical Profile of Artists in Ontario*. Three further studies were commissioned jointly by OAC, the Canada Council

programme Artistes en milieu éducatif a été acceptée. Et pour la première fois dans ses 42 années d'existence, le CAO a convoqué un jury à l'extérieur de Toronto : il s'agissait du jury pour le programme Chanson et musique, qui s'est réuni à Sudbury en janvier 2006.

Le CAO s'est associé à l'Office national du film pour lancer un programme de mentorat à l'intention des cinéastes francophones de l'Ontario. Il permettra à quatre cinéastes de la relève d'accompagner un professionnel chevronné dans le domaine de la préproduction, de la production ou de la postproduction et de bénéficier ainsi d'une occasion exceptionnelle de perfectionnement artistique.

Au printemps 2005, le CAO a financé Médias mobiles, tournée d'arts médiatiques dans le cadre de laquelle les œuvres de 18 cinéastes et vidéastes ontariens ont été présentées à Peterborough, Thunder Bay, North Bay et Sudbury. Cette tournée visait à familiariser le public avec des œuvres qui ne sont pas toujours projetées en dehors des grands centres urbains. En mars 2006, la deuxième édition de Médias mobiles, programmée par 11 conservateurs et mettant en vedette les œuvres de 31 artistes médiatiques, a fait escale à Hamilton, Timmins, Moosonee, Attawapiskat, Fort Albany, Sault Ste. Marie, Whitefish Lake, North Bay, Sudbury, Moose Factory et Guelph.

Le CAO a renouvelé son partenariat avec TVOntario pour la diffusion des œuvres d'artistes ontariens du film et de la vidéo. Le deuxième volet d'*Exposures: The Art of Film and Video* a été diffusé en première sur les ondes de TVO le 30 juin 2005, dans le créneau de la série documentaire très populaire *Masterworks*.

Nous avons poursuivi nos initiatives visant à élargir l'accès aux arts dans tous les coins de la province. Parmi les nombreuses tournées financées par le CAO, mentionnons celle de l'Orchestre symphonique de Toronto à Timmins et à Sudbury, que nous avons subventionnée en collaboration avec la Fondation Trillium de l'Ontario. Cette tournée comportait, outre les concerts présentés en soirée dans les deux villes, des classes de maître, des causeries avec le compositeur conseil de l'orchestre, des concerts dans les écoles élémentaires et des concerts d'élèves d'écoles francophones et anglophones.

En 2005-2006, nos initiatives de recherche, qui découlent de l'intérêt permanent que nous portons aux artistes et aux auditoires, touchaient différents domaines. Le CAO a commandé une étude intitulée *Profil statistique des artistes en Ontario*, basée sur le recensement de 2001 de Statistique Canada. Et en a commandé trois autres, conjointement avec le Conseil des Arts du Canada et le ministère du Patrimoine canadien : *Les quartiers artistiques au Canada*, *Les artistes dans les petites municipalités urbaines et rurales du Canada* et *Les artistes dans les grandes villes du Canada*.

Mentionnons, parmi les autres études terminées cette année, celle intitulée *Le secteur des arts visuels et médiatiques en Ontario*, basée sur des données internes du CAO et première d'une série portant sur les secteurs

for the Arts and the Department of Canadian Heritage:
Artists by Neighbourhood in Canada, Artists in Small and Rural Municipalities in Canada, and Artists in Large Canadian Cities.

Other studies of the provincial arts sector completed in this year include *Ontario's Visual and Media Arts Sector*, based on OAC's internal data. (This is the first of a continuing series of sectoral studies.) The Ontario Association of Art Galleries (OAAG), with OAC assistance, undertook two studies to better understand the challenges and opportunities for art galleries: *Profiles of Art Galleries in Ontario – Phase One: A Statistical Profile and Phase Two: In Their Own Words.*

We commissioned a comparative study of the revenue sources of arts organizations in Ontario and other provinces entitled *Money for Art: An Analysis of the Revenue Sources of Selected Canadian Arts Organizations with a Focus on Provincial Arts Agency Funding*. Taken altogether, these reports offer guidance in understanding the interaction of artists, arts consumers and arts funders.

Besides research reports, OAC produced *The Arts Ed Slim Kit: A Resource for Artists Working in Schools*, a handbook of tips and tools for artist educators. We also released *Re-Generation: Report on the Ontario Arts Council's Arts Management Conference*, which is available along with many other reports on the OAC Web site.

Our music office reviewed the Presenter/Producer program through a series of six focus groups and an advisory committee. They helped to develop recommendations on how the program could better serve presenters and music collectives and respond to the needs of Aboriginal and culturally diverse communities.

A review of the Exhibition Assistance program for individual visual artists consisted of five focus groups and interviews with 349 individuals. It confirmed that the program is considered to be responsive to visual artists in the regions, flexible and easy to access. OAC is increasing the maximum grant to \$1,500 and broadening the range of activity supported.

We also reviewed the three-year-old Chalmers Arts Fellowships and Chalmers Professional Development Grants programs. We examined the program's efficiency by surveying grant recipients and jurors from the past three years. Their enthusiastic support for these two programs has encouraged us to continue with them as they are.

Toward the end of the fiscal year, OAC reached an agreement with the Faculties of Fine Arts and Education at York University for an arts education pilot project. This five-day professional development opportunity will be offered to 40 artist educators on OAC's Artist in Education program roster, with priority given to applicants from the province's regional, culturally diverse, Aboriginal and Franco-Ontarian communities. OAC will cover the cost of tuition and a limited travel subsidy for artists who live far from Toronto.

d'activité artistique. L'Association des galeries d'art publiques de l'Ontario (AGAPO), avec l'aide du CAO, a entrepris deux études pour mieux comprendre les problèmes et les possibilités des galeries d'art : *Profiles of Art Galleries in Ontario – Phase One: A Statistical Profile and Phase Two: In Their Own Words.*

Nous avons commandé une étude comparative des sources de revenu des organismes artistiques de l'Ontario et d'autres provinces intitulée *Money for Art: An Analysis of the Revenue Sources of Selected Canadian Arts Organizations with a Focus on Provincial Arts Agency Funding*. Pris dans leur ensemble, ces rapports de recherche permettent de comprendre l'interaction des artistes avec les consommateurs d'art et les bailleurs de fonds du secteur des arts.

Outre les rapports de recherche, le CAO a publié le *Petit guide de l'éducation artistique*, qui met des conseils et des ressources à la disposition des artistes éducateurs, ainsi que *Régénération : Rapport du colloque sur la gestion des arts du Conseil des arts de l'Ontario*. Ces deux publications sont affichées, en compagnie de nombreuses autres, sur le site web du CAO.

Notre Bureau de la musique a procédé à l'examen du programme Diffuseurs et producteurs à l'aide d'une série de groupes de discussion et d'un comité consultatif, qui ont contribué à formuler des recommandations dont l'application permettra au programme, d'une part, de mieux desservir les diffuseurs et les collectifs de musique et, d'autre part, de mieux répondre aux besoins des communautés autochtones et des communautés culturelles.

Pour les besoins de l'examen du programme Aide aux expositions, on a fait appel à cinq groupes de discussion et on a interviewé 349 personnes. L'examen a confirmé les atouts de ce programme, à savoir son caractère régional, sa flexibilité et son accessibilité. Le CAO a décidé d'élever le plafond des subventions à 1 500 \$ et d'élargir l'éventail des activités que ce programme appuie.

Nous avons aussi examiné l'efficacité des programmes Bourses Chalmers de recherche artistique et Subventions Chalmers de perfectionnement professionnel par l'entremise d'un sondage auprès des bénéficiaires et des jurés des trois dernières années. L'appui enthousiaste que remportent ces deux programmes nous ont convaincu de ne pas les modifier.

Vers la fin de l'exercice financier, le CAO a conclu avec la Faculté d'éducation et la Faculté des beaux-arts de l'Université York une entente portant sur un projet pilote d'éducation artistique. Quarante des artistes éducateurs qui figurent sur la liste du programme Artistes en milieu éducatif du CAO pourront ainsi suivre un cours de perfectionnement professionnel de cinq jours. La priorité sera accordée aux artistes des communautés régionales, culturelles, autochtones et francophones de l'Ontario. Le CAO se chargera des frais d'inscription et versera une certaine allocation de déplacement aux artistes qui habitent loin de Toronto.

Le CAO a mis à jour et a précisé davantage sa politique en matière de conflit d'intérêts. Nous avons aussi évalué nos

This year, in response to growth in the media arts sector, we expanded the role of our associate media arts officer to a full-time position and hired Mark Haslam as the Media and Visual Arts Officer. We also hired Wanda Nanibush for the position of Aboriginal Arts Officer. We would like to acknowledge the contribution of Rachel Mackenzie, who held the position in an acting capacity after the departure of Denise Bolduc, who spent six years with us as a passionate advocate for Aboriginal arts.

Finally, we welcomed Martha Durdin, our new chair, who comes to OAC with a solid background as an arts volunteer and as a professional working in the financial sector. My thanks to our dedicated staff and board, as well as our colleagues in the Ministry of Culture, for their efforts on behalf of the arts in Ontario. En raison de la croissance du secteur des arts médiatiques, notre adjointe des arts médiatiques occupe depuis cette année un poste à temps plein, et nous avons engagé Mark Haslam à titre de responsable des arts médiatiques et visuels. Nous avons aussi engagé Wanda Nanibush au poste de responsable des arts autochtones. Nous aimerions souligner ici l'apport de Rachel Mackenzie, qui a occupé ce poste à titre intérimaire après le départ de Denise Bolduc. Cette dernière avait passé six ans parmi nous et avait défendu avec passion la cause des arts autochtones.

Enfin, nous avons souhaité la bienvenue à Martha Durdin, notre nouvelle présidente, qui arrive au CAO avec de solides antécédents à titre de bénévole dans le secteur des arts et à titre professionnel dans le secteur financier. Pour terminer, je voudrais remercier le personnel du CAO, les membres du conseil d'administration et nos collègues du ministère de la Culture aussi bien de leur indéfectible dévouement que de leurs inlassables efforts en faveur des arts en Ontario. Des difficultés considérables nous attendent sans doute, mais je suis convaincu que nous avons jeté des bases solides pour les changements importants et favorables à venir.

OAC's Aboriginal Arts programs are designed to improve access to the arts for Aboriginal communities, while encouraging opportunities for Aboriginal artists throughout Ontario.

All OAC programs are open to Aboriginal artists or arts organizations, and artists or arts organizations from diverse cultural communities. The term Aboriginal includes Status, Non-Status, Métis and Inuit people.

Les programmes d'arts autochtones du CAO visent à élargir l'accès des collectivités autochtones aux arts en favorisant les possibilités offertes aux artistes autochtones dans l'ensemble de la province.

The Anchor Organizations program provides operating support to organizations that are significant to their sectors and their regions through the scope of their artistic activity, their role within the cultural community, their size and their financial and operational complexity. Anchor Organizations are artistic institutions that are of sufficient expertise and scale to perform consistently at an international level of excellence, attract audiences internationally and provide a standard of leadership in their artistic discipline for both the province and the country. These organizations are assessed by advisory panels for the community and multidisciplinary arts, dance, opera, orchestras and theatre operating programs.

Le programme Organismes phares accorde des subventions de fonctionnement aux organismes qui contribuent significativement à leur secteur et à leur région par l'envergure de leur activité artistique, le rôle qu'ils tiennent dans la collectivité, leur ampleur et la complexité de leur financement et de leur fonctionnement. Il s'agit d'établissements artistiques qui, grâce à leurs compétences et leur portée, se produisent uniformément à un niveau d'excellence international, attirent des auditoires internationaux et font office de chefs de file dans leur discipline artistique à l'échelle provinciale aussi bien qu'à l'échelle nationale. Ces organismes sont étudiés par des comités d'évaluation des programmes de fonctionnement pour les arts communautaires et multidisciplinaires, la danse, l'opéra, les orchestres et le théâtre.

OAC's Arts Education programs provide support for the cost of artists' residencies, hands-on workshops and presentations in schools and in communities. Arts education is a catalyst for creativity, lifelong learning and the development of cultural literacy. OAC, the arts community and educators are partners in this effort.

Les programmes d'éducation artistique du CAO accordent des subventions qui contribuent aux frais des artistes en résidence, des présentations et des ateliers pratiques dans les écoles et les collectivités. L'éducation artistique est un catalyseur de la créativité, de l'éducation permanente et de l'acquisition du savoir culturel. Le CAO, le milieu artistique et les éducateurs collaborent tous dans ce sens.

OAC's Arts Education programs provide support for the cost of artists' residencies, hands-on workshops and presentations in schools and in communities. Arts education is a catalyst for creativity, lifelong learning and the development of cultural literacy. OAC, the arts community and educators are partners in this effort.

Les programmes d'éducation artistique du CAO accordent des subventions qui contribuent aux frais des artistes en résidence, des présentations et des ateliers pratiques dans les écoles et les collectivités. L'éducation artistique est un catalyseur de la créativité, de l'éducation permanente et de l'acquisition du savoir culturel. Le CAO, le milieu artistique et les éducateurs collaborent tous dans ce sens.

OAC's Community and Multi-Arts programs involve artists and community members in a collaborative creative process resulting in collective experience and public expression. They provide a way for communities to express themselves; enable artists, through financial or other supports, to engage in creative activity; and are collaborative – the creative process is as important as the artistic outcome. The programs encourage community arts activities across the province by helping artists, communities and organizations develop local arts resources.

Applicants are eligible for funding only from one Community Arts program per fiscal year (April 1 to March 31).

Les programmes d'art communautaires et multiarts du CAO permettent aux artistes et aux membres de la communauté de collaborer à des entreprises artistiques qui aboutissent à une expérience collective et à une expression publique. Ils donnent aux communautés le moyen de s'exprimer et, aux artistes – grâce à une aide financière ou autre – d'entreprendre des activités créatrices. Cette pratique étant fondée sur la collaboration, le processus créatif est aussi important que le résultat artistique. Ces programmes favorisent les activités d'art communautaire dans toute la province en aidant les artistes, les organismes et les communautés à développer leurs ressources artistiques locales.

Les candidats sont admissibles à une subvention d'un seul programme d'arts communautaires par exercice financier du CAO (1er avril - 31 mars).

Glenn Hodgins Officer / Responsable

The goal of OAC's Touring and Collaborations program is to bring more arts to more Ontarians. It also seeks to expand the depth of the touring experience by supporting collaborative initiatives at the local level. This program supports community presenters as well as touring artists and arts organizations from the performing arts and from literature, media and visual arts. In 2004-2005, a travel assistance program was added to facilitate face-to-face meetings between presenters or programmers and artists.

Le programme Tournées et collaborations du CAO vise à exposer un plus grand nombre d'Ontariens à un plus grand nombre de manifestations artistiques. Il cherche également à approfondir l'expérience de la tournée en appuyant des initiatives collectives à l'échelle locale. Ce programme appuie les diffuseurs communautaires ainsi que les tournées d'artistes et d'organismes artistiques des arts de la scène, de la littérature, des arts médiatiques et des arts visuels. Un programme d'aide au déplacement ajouté en 2004-2005 permet aux artistes de rencontrer en personne les diffuseurs ou programmeurs.

The goal of OAC's Touring and Collaborations program is to bring more arts to more Ontarians. It also seeks to expand the depth of the touring experience by supporting collaborative initiatives at the local level. This program supports community presenters as well as touring artists and arts organizations from the performing arts and from literature, media and visual arts. In 2004-2005, a travel assistance program was added to facilitate face-to-face meetings between presenters or programmers and artists.

Le programme Tournées et collaborations du CAO vise à exposer un plus grand nombre d'Ontariens à un plus grand nombre de manifestations artistiques. Il cherche également à approfondir l'expérience de la tournée en appuyant des initiatives collectives à l'échelle locale. Ce programme appuie les diffuseurs communautaires ainsi que les tournées d'artistes et d'organismes artistiques des arts de la scène, de la littérature, des arts médiatiques et des arts visuels. Un programme d'aide au déplacement ajouté en 2004-2005 permet aux artistes de rencontrer en personne les diffuseurs ou programmeurs.

The Ontario Arts Council administers the selection process for awards, scholarships, grants and prizes that are privately endowed at OAC and, in some cases, at the Ontario Arts Foundation (the Foundation). The Awards office also provides services to assist donors in the selection process of specific awards that are not endowed at either organization.

Le Conseil des arts de l'Ontario administre le processus de sélection des bourses, subventions et prix dotés auprès du CAO et, dans certains cas, auprès de la Fondation des arts de l'Ontario (FAO). Le Bureau des prix aide également les donateurs dans le processus de sélection de prix particuliers qui ne sont pas dotés auprès de l'un ou de l'autre des organismes.

The Ontario Arts Council administers the selection process for awards, scholarships, grants and prizes that are privately endowed at OAC and, in some cases, at the Ontario Arts Foundation (the Foundation). The Awards office also provides services to assist donors in the selection process of specific awards that are not endowed at either organization.

Le Conseil des arts de l'Ontario administre le processus de sélection des bourses, subventions et prix dotés auprès du CAO et, dans certains cas, auprès de la Fondation des arts de l'Ontario (FAO). Le Bureau des prix aide également les donateurs dans le processus de sélection de prix particuliers qui ne sont pas dotés auprès de l'un ou de l'autre des organismes.

Leafs Dreams Arts Scholarship Program Programme de bourses d'études Leafs Dreams Arts

The Foundation partners with Maple Leaf
Sports and Entertainment Ltd. for the Leafs
Dreams Arts Scholarship Program. The
program provides scholarships in the arts to
students who have a special ability in the
arts, but not the resources to pursue that
interest. One hundred and seventy students
are enrolled in a broad range of arts

pursuits. Proceeds from a third of the 50/50
draws held at the Toronto Maple Leafs
home games support the program
scholarships. A total of \$209,561 was
paid out in scholarships during the
2005-2006 year.

La FAO et la société Maple Leafs Sports and
Entertainment ont créé ensemble le
Programme de bourses d'études Leafs
Dreams Arts. Ce programme offre des
bourses d'études en arts à des étudiants qui
démontrent un talent artistique mais n'ont
pas les moyens de faire des études dans ce
domaine. Les recettes provenant d'un tiers
des tirages 50-50 qui ont lieu lors de chaque
match des Toronto Maple Leafs en ville sont
affectées à ce programme de bourses. 170
étudiants sont inscrits à ce programme dans
un vaste éventail d'activités artistiques, et
un total de 209 561 \$ a été versé à des
boursiers en 2005-2006.

FINANCIAL STATEMENTS
ÉTATS FINANCIERS

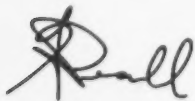

Auditor's Report

To the Province of Ontario Council for the Arts
and to the Minister of Culture

I have audited the statement of financial position of the Province of Ontario Council for the Arts as at March 31, 2006 and the statements of operations and changes in fund balances and cash flows for the year then ended. These financial statements are the responsibility of the Council's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Council as at March 31, 2006 and the results of its operations and changes in fund balances and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Gary R. Peall, CA
Deputy Auditor General

Toronto, Ontario

Rapport du vérificateur

Au Conseil des arts de la province de l'Ontario
et à la ministre de la Culture

J'ai vérifié l'état de la situation financière du Conseil des arts de la province de l'Ontario (« CAO ») au 31 mars 2006 ainsi que les résultats de fonctionnement et l'évolution du solde des fonds et du flux de trésorerie pour l'exercice terminé à cette date. La responsabilité de ces états financiers incombe à la direction du CAO. Ma responsabilité consiste à exprimer une opinion sur ces états financiers en me fondant sur ma vérification.

Ma vérification a été effectuée conformément aux normes de vérification généralement reconnues au Canada. Ces normes exigent que la vérification soit planifiée et exécutée de manière à fournir l'assurance raisonnable que les états financiers sont exempts d'inexactitudes importantes. La vérification comprend le contrôle par sondages des éléments probants à l'appui des montants et des autres éléments d'information fournis dans les états financiers. Elle comprend également l'évaluation des principes comptables suivis et des estimations importantes faites par la direction, ainsi qu'une appréciation de la présentation d'ensemble des états financiers.

À mon avis, ces états financiers présentent fidèlement, à tous égards importants, la situation financière du CAO au 31 mars 2006 ainsi que les résultats de fonctionnement et l'évolution du solde des fonds et du flux de trésorerie pour l'exercice terminé à cette date, selon les principes comptables généralement reconnus au Canada.

Summary of Significant Accounting Policies March 31

Résumé des principales conventions comptables 31 mars 2006

Nature and Purpose of Organization

The Province of Ontario Council for the Arts (the "OAC") was established in 1963 by the Government of Ontario to promote the development and enjoyment of the arts across the province. The OAC plays a leadership role in fostering excellence in the arts and making the arts accessible to all Ontarians. The OAC is a registered charity and is exempt from tax under the Income Tax Act.

Basis of Presentation

The financial statements have been prepared by management in accordance with Canadian generally accepted accounting principles.

The OAC follows the restricted fund method of accounting for contributions.

Fund Accounting

Resources are classified for accounting and reporting purposes into funds that are held in accordance with their specified purposes.

The operating fund reports the publicly funded activities of the OAC funded mainly through a general grant from the Province of Ontario.

The restricted and endowment funds are internally restricted by the OAC or by the terms specified by the donors in their trust agreements. The investment portfolio is managed by the Board of Directors of the Ontario Arts Council Foundation.

Employee Future Benefits

The OAC follows the Canadian Institute of Chartered Accountants' requirements for accounting for employee future benefits, which include post-employment benefits payable upon termination. Under these requirements, the cost of the post-employment benefits paid upon termination is charged to operations annually as earned.

Investments

Investments are classified as held for trading and are measured at fair value in accordance with the recommendations of Section 3855, Financial Instruments - Recognition and Measurement of *The Handbook of the Canadian Institute of Chartered Accountants*.

Income in Restricted and Endowment Funds

Investment income (loss) earned (incurred) on and contributions related to the restricted and endowment funds are recognized as revenue (expenditures) of the restricted and endowment funds.

Nature et objet de l'organisme

Le Conseil des arts de la province de l'Ontario (« CAO ») a été créé en 1963 par le gouvernement de l'Ontario pour promouvoir le développement et le rayonnement des arts dans toute la province. Le CAO joue un rôle de chef de file en favorisant l'excellence artistique et en mettant les arts à la portée de tous les Ontariens. Le CAO est un organisme de bienfaisance enregistré et exonéré d'impôt en vertu de la *Loi de l'impôt sur le revenu*.

Principes de présentation

Les états financiers ont été préparés par la direction conformément aux principes comptables généralement reconnus au Canada.

Pour la comptabilisation des contributions, le CAO applique la méthode de comptabilité par fonds affectés.

Comptabilisation des fonds

Pour des raisons de comptabilisation et de présentation, les ressources sont classées par fonds assujettis aux conditions stipulées.

Le fonds de fonctionnement fait état des activités du CAO financées principalement par l'entremise d'une subvention générale de la province de l'Ontario.

Les fonds affectés et les fonds de dotation sont assujettis à des restrictions internes établies par le CAO ou à des conditions précisées par les donateurs dans les contrats de dotation. Le portefeuille de placements est géré par le conseil d'administration de la Fondation du Conseil des arts de l'Ontario.

Avantages sociaux futurs

Pour la comptabilisation des avantages sociaux futurs, qui comprennent aussi les avantages postérieurs à l'emploi versés après le départ des employés, le CAO suit les directives de l'Institut canadien des comptables agréés. Selon ces directives, le coût des avantages postérieurs à l'emploi est imputé aux frais de fonctionnement dans l'exercice au cours duquel ces prestations sont gagnées par les employés.

Placements

Les placements sont classés comme étant détenus à des fins de transaction et sont évalués à leur juste valeur selon la recommandation du chapitre 3855, « Instruments financiers – comptabilisation et évaluation », du *Manuel de l'Institut canadien des comptables agréés*.

Recettes des fonds affectés et des fonds de dotation

Les revenus gagnés (pertes subies) par les placements des fonds affectés et des fonds de dotation aussi bien que par les contributions afférentes à ces fonds sont déclarés au titre des recettes (dépenses) des fonds affectés et des fonds de dotation.

Summary of Significant Accounting Policies March 31

Capital Assets

Capital assets are recorded at cost (purchase price). All capital assets are amortized on a straightline basis over the assets' estimated useful lives as follows:

Audio visual equipment	5 years
Computer hardware and software	3 years
Furniture and fixtures	5 years
Office equipment	5 years
Leasehold improvements	5 years

Financial Instruments

The OAC follows CICA Handbook Section 3855, "Financial Instruments - Recognition and Measurement", which requires all financial assets be measured at fair value. Fair value estimates of financial instruments are made at a specific point in time, based on quoted market value at the Statement of Financial Position date.

It is management's opinion that the OAC is not exposed to significant interest, currency or credit risks arising from its financial instruments and the carrying amounts of these financial instruments approximate their fair value, unless otherwise noted.

Virtually all cash is held in one Schedule I bank.

Use of Estimates

The preparation of financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of income and expenditures during the reporting period. Actual results could differ from management's best estimates as additional information becomes available in the future.

Résumé des principales conventions comptables 31 mars 2006

Immobilisations

Les immobilisations sont comptabilisées au prix coûtant (prix d'achat). Toutes les immobilisations sont amorties selon la méthode de l'amortissement linéaire couvrant le nombre d'années de l'utilisation probable des immobilisations, comme suit :

Équipement audiovisuel	5 années
Matériel et logiciels informatiques	3 années
Mobilier et agencement	5 années
Matériel de bureau	5 années
Améliorations locatives	5 années

Instruments financiers

Le CAO applique les recommandations du chapitre 3855, « Instruments financiers – comptabilisation et évaluation », du Manuel de l'Institut canadien des comptables agréés, selon lequel tous les actifs financiers doivent être évalués à leur juste valeur. Les évaluations de la juste valeur des instruments financiers se font à un moment précis et sont fondées sur le cours du marché à la date de l'état de la situation financière.

La direction du CAO estime que l'organisme n'est pas exposé à des risques significatifs d'intérêts, de devises ou de crédit découlant de ses instruments financiers, et la valeur comptable de ces instruments financiers est comparable à leur juste valeur, sauf indication contraire.

Pratiquement toute l'encaisse est consignée auprès d'une banque de l'annexe I.

Utilisation des estimations

En vue de la préparation des états financiers conformément aux normes de comptabilité canadiennes généralement reconnues, la direction est obligée de faire des estimations et des hypothèses qui ont une incidence sur les montants d'actif et de passif déclarés à la date des états financiers ainsi que sur les montants des recettes et des dépenses pendant l'exercice en question. Les résultats réels pourraient différer des meilleures estimations de la direction à mesure qu'apparaissent des renseignements complémentaires.

Notes to Financial Statements

March 31

Notes afférentes aux états financiers

31 mars 2006

1. Employee Future Benefits

a) Pension Benefits

The OAC provides pension benefits for all of its permanent employees through participation in the Public Service Pension Fund (PSPF), a multiemployer defined benefit pension plan established by the Province of Ontario. The OAC accounts for the plan as a defined contribution pension plan as the OAC has insufficient information to apply defined benefit accounting. The pension expense represents the OAC's contributions to the plan during the year. The OAC's contributions and expenses related to the PSPF for the year were \$168,177 (2005 - \$156,868) and are included in salaries and benefits in Schedule II Services and Operating Expenses.

b) Non-pension Benefits

The cost of post-retirement non-pension employee benefits was paid by the Ministry of Government Services and is not included in the Statement of Operations and Changes in Fund Balances.

The OAC also provides termination benefits earned by eligible employees. The amount of severance payments and unused vacation pay accrued at year end was \$419,045 (2005 - \$397,471) of which \$68,045 (2005 - \$71,212) has been classified as a current liability.

The OAC has set aside funds to meet these liabilities and invested these funds in the same pooled investments as the restricted and endowment funds. As at March 31, 2006 this investment has a market value of \$426,950 (2005 - \$374,492) and is shown under the Operating Fund as Investments.

2. Capital Assets

1. Avantages sociaux

a) Régime de retraite

Le CAO assure des prestations de retraite à tous ses employés permanents par le truchement de la Caisse de retraite des fonctionnaires, régime de retraite interentreprises établi par le gouvernement de l'Ontario. Ce régime est comptabilisé à titre de régime de retraite à cotisations déterminées, vu que le CAO ne dispose pas d'informations suffisantes pour utiliser la méthode de comptabilisation des régimes à prestations déterminées. La contribution du CAO et les frais afférents à la Caisse de retraite des fonctionnaires pour l'exercice s'élevaient à 168 177 \$ (2005 - 156 868 \$) et sont compris dans le poste Salaires et avantages sociaux sous la rubrique Services et frais de fonctionnement (annexe II).

b) Autres avantages sociaux

Le coût des autres avantages des employés à la retraite a été assumé par le Secrétariat du Conseil de gestion et n'est pas compris dans le poste Résultats de fonctionnement et évolution du solde des fonds.

Le CAO verse aussi des prestations de cessation d'emploi gagnées par des employés admissibles. Le montant des indemnités de départ et des congés annuels non utilisés accumulé à la fin de l'exercice s'élevait à 419 045 \$ (2005 - 397 471 \$), dont 68 045 \$ (2005 - 71 212 \$) ont été comptabilisés au poste Passif à court terme.

Le CAO a réservé un certain montant pour être en mesure de s'acquitter de ces obligations et l'a investi dans les mêmes fonds communs de placement que les fonds affectés et les fonds de dotation. La valeur marchande de ce placement au 31 mars 2006 se chiffre à 426 950 \$ (2005 - 374 492 \$) et figure sous le fonds de fonctionnement à titre de placement.

Included in Awards and Expenses Paid, Schedule III, are administration fees charged by the OAC for providing day-to-day administrative support and services to the restricted and endowment funds held by the OAC. As permitted in the respective agreements, the OAC has levied an administration fee, either on a fixed or percentage basis, on the funds held or on the annual investment income earned by the funds held by the OAC.

	2006	2005
Fund administration fee	\$ 55,113	\$ 52,554

During the year, the OAC allocated a portion of its monthly office rental fees and a portion of its general and administrative costs to the Ontario Arts Council Foundation. The Ontario Arts Council Foundation is controlled by OAC's Board through election of the Ontario Arts Council Foundation's Board of Directors. Total rent allocated amounted to \$7,200 (2005 - \$5,400) and general and administrative costs allocated amounted to \$6,000 (2005 - \$4,800).

The above transactions are in the normal course of operations and are measured at the exchange value (the amount of consideration established and agreed to by the related parties).

At the end of the year, included in accounts receivable, is an amount due from the Ontario Arts Council Foundation, a related party, of \$3,965 (2005 - \$NIL).

4. Opérations entre apparentés

La colonne Prix et frais payés de l'annexe III comprend les frais d'administration que le CAO facture aux fonds affectés et aux fonds de dotation qu'il détient pour la prestation du soutien et des services administratifs quotidiens. Conformément aux accords respectifs, le CAO a prélevé des frais administratifs fixes ou calculés selon un pourcentage des fonds ou des revenus annuels des placements rapportés par les fonds qui lui sont confiés.

	2006	2005
Frais d'administration des fonds	\$ 55,113	\$ 52,554

Au cours de l'exercice, le CAO a affecté une partie de ses frais de location mensuels et une partie de ses frais généraux et administratifs à la Fondation du Conseil des arts de l'Ontario. Le conseil d'administration du CAO contrôle la Fondation puisqu'il contrôle l'élection des membres du conseil d'administration de la Fondation du Conseil des arts de l'Ontario. Le total du montant prélevé pour la location s'élevait à 7 200 \$ (2005 - 5 400 \$). Le total du montant prélevé pour les frais généraux et administratifs s'élevait à 6 000 \$ (2005 - 4 800 \$).

Ces opérations se font dans le cadre des activités courantes et sont évaluées selon la valeur d'échange (le montant convenu entre les apparentés).

À la fin de l'exercice, un montant de 3 965 \$ (2005 - 0,00 \$), compris dans le poste Comptes fournisseurs, doit être versé par la Fondation du Conseil des arts de l'Ontario, partie apparentée.

The Ontario Arts Council Foundation (Foundation) was incorporated under the Ontario Corporations Act on October 15, 1991 and is a registered charity under the Income Tax Act. The Foundation was established:

- (a) to receive and maintain a fund or funds and to apply all or part of the principal and income therefrom to charitable organizations which are also registered charities under the Income Tax Act;
- (b) to provide through the OAC and other appropriate organizations for grants, scholarships or loans to persons in Ontario for study or research in the arts in Ontario or elsewhere or to persons in other provinces or territories of Canada or any other countries for study or research in the arts in Ontario; and
- (c) to make awards to persons in Ontario for outstanding accomplishments in the arts.

As defined by the Canadian Institute of Chartered Accountants Accounting Standards Board accounting recommendations for not-for-profit organizations, the OAC controls the Foundation in that the OAC's Board controls the election of the Foundation's Board of Directors.

The Foundation financial statements have not been consolidated in the OAC's financial statements. There are no restrictions on the resources of the Foundation, nor are there significant differences from the accounting policies used by the OAC.

5. Engagements

a) Engagements de location

Le CAO loue des locaux et du matériel de bureau en vertu de baux de fonctionnement. Voici le détail des paiements annuels minimums exigibles :

b) Engagements en matière de subventions

Le CAO a approuvé des subventions totalisant environ 138 200 \$ (2005 – 32 050 \$), qui seront versées au cours des prochaines années dès que les conditions dont elles font l'objet auront été remplies. Ces montants ne figurent pas dans le poste Résultats de fonctionnement et évolution du solde des fonds.

6. Fondation du Conseil des arts de l'Ontario

La Fondation du Conseil des arts de l'Ontario (la Fondation) a été constituée en société le 15 octobre 1991 et est un organisme de bienfaisance enregistré en vertu de la *Loi de l'impôt sur le revenu*. La Fondation a été établie aux fins suivantes :

- (a) Recueillir ou maintenir un ou plusieurs fonds et affecter le capital et les produits financiers qui en découlent, en tout ou en partie, à des organismes de bienfaisance enregistrés également en vertu de la *Loi de l'impôt sur le revenu*.
- (b) Assurer à des personnes qui résident en Ontario, par l'entremise du CAO et d'autres organismes pertinents, des subventions, bourses ou prêts à des fins d'études ou de recherche dans les arts, en Ontario ou ailleurs. Ou offrir à des personnes d'autres provinces et territoires du Canada ou d'autres pays des subventions, bourses ou prêts à des fins d'études ou de recherche dans les arts en Ontario.
- (c) Décerner des prix à des personnes qui résident en Ontario pour leurs réalisations exceptionnelles dans le domaine des arts.

Conformément aux recommandations de comptabilité proposées par le Conseil des normes de comptabilité de l'Institut canadien des comptables agréés pour les organismes sans but lucratif, le CAO contrôle la Fondation puisque le conseil d'administration du CAO contrôle l'élection des membres du conseil d'administration de la Fondation.
